

David T. Nemoto, M.D., P.A.
Board Certified Gastroenterologist
1446 Campbell Road Ste 200
Houston, TX 77055

Confidentiality Policy

Medical records are maintained to serve as a means of communication between the patient and health care providers in accordance with legal and regulatory agency requirements. The information contained therein is considered confidential.

All patient care information shall be regarded as confidential and available only to authorized users. The patient or legal guardian is the only person able to authorize release of medical information.

The medical record is defined as any test results, any medical reports, the medical record itself, claim files and any correspondence relating to the area of the patient.

If you would like to give permission for us to give any results to any other member or your family, (example. spouse, children, parents, or siblings) please write the information below.
